Dear Sir

Re: 110853 – Haymarket Depot – Road 2 Repairs

Further to the successful completion of the above project, we wish to express our gratitude to you and your team.

The project was delivered on time to a very high quality, under difficult Depot constraints.

Our project team and also the staff at Haymarket Depot have nothing but praise for the work you have completed and also the behaviours displayed whilst doing so. At every stage of the project, from tender return to final account agreement, you have displayed all of the well published Network Rail values.

Thank you for your support, we look forward to working again with you in the future.

Yours sincerely
